AR Tour Guide
User Stories

P0:

1) As a prospective student, so that I can learn more about campus, I want to access information about buildings surrounding my location.
2) As a new student, so that I can get to my new classes, I want to navigate through campus using the app to determine which buildings my classes are in.
3) As a new student, so that I can get to my classes faster, I want to navigate through campus using the app to determine the quickest routes to them.
4) As a new student, so that I never get lost on campus, I want to familiarize myself with which buildings I will need to visit on a daily basis.
5) As a tour guide, so that I can share my campus experience, I want to have audio recordings attached to each location.
6) As a prospective student, so that I can get help from someone, I want to get to the admissions building.
7) As an administrator, so that I can keep the app's information up to date, I want to change the information associated with a given building.
8) As an administrator, so that I can keep campus information up to date, I want to add a new building to the app.

P1:

9) As a frequent user of the bathroom, so that I can do my business at the nearest bathroom, I want to see where the nearest bathrooms are located.
10) As a student on campus, so that I can navigate the interior of a building, I want to access the floorplans of the building.
11) As a current student, so that I can eat food, I want to find the nearest dining options.
12) As a WWU sports fan, so that I can attend games, I want to see the game's location, date, and time.
13) As a visiting parent, so that I can learn more about my child's day to day, I want to visit their buildings on campus.
14) As a current student, so that I can reach out to clubs, I want to get club info and locations from the app.
